

# Funding that fuels good causes: Your guide to applying for grants through the Benefact Group

You may be aware that Business Choice Direct and WRS Insurance Brokers have been partnered with the CTA as their exclusive insurance partners since August 2024. But you might not be aware that their parent company, the **Benefact Group**, has given away £250 million since 2014.<sup>1</sup> Last year, they donated over £1 million to charities and good causes through their Movement for Good giving programme.<sup>2</sup>

You can nominate your charity to receive £1,000 or £5,000. [Visit the Giving Map](#) to discover which charities in your local area have already received an award.

By insuring through BCD and WRS, you can support local charities and communities at no extra personal cost. That's because all our available profits are given back to charities and good causes, including the Benefact Group Movement for Good Awards.
