“People LOVE public transport,  
when it takes you from A to B  
quickly, comfortably and  
affordably”

# Our approach

- Market Research to establish Demand
  - Counting cars
    - “At it’s peak, a car leaves Strathaven every 4 seconds”
  - Online surveys
  - Face to face
- Funding
- Route
- Vehicle(s)
- Drivers

# Some stats

- Over 50,000 passenger journeys since October 2022
- Equivalent to 1.2 million passenger miles
  - *At least 50% of journeys previously involved car to some extent*
- > 99% of journeys depart within 3 minutes of scheduled time
- High customer satisfaction
- KPIs – Daily passengers, late departures, full buses

# Social impact

# Bus is only part of the picture

- E-bike, cycling & active travel
- Car Club

## RALEIGH MOTUS TOUR

With power-assisted pedalling boosting your pedal power by up to 250%, the Motus Tour Hub Gear gives you the freedom to go further and faster than ever before.

## TERN GSD ECARGO

The GSD is designed to carry two kids, a week's worth of groceries, or 180 kg of cargo, but it's only 180 cm long—the same length as a standard eBike.

## RALEIGH STOW-E-WAY

Designed to be packed away at a moment's notice, the Stow-E-Way has all the power of a classic e-bike in a nifty, foldable model that'll fit just about anywhere.
